

To Whom It May Concern,

On July 14, 2023, Blue Mountain Hospital and San Juan Health will celebrate the 7th Annual Scholarship Scramble. For the past six years, we have come together to do our part in strengthening the healthcare workforce in San Juan County through scholarships. We recognize that education costs can discourage or prevent students from pursuing their desire to obtain a healthcare degree in the past and even more so in today's climate.

All proceeds from our Scholarship Scramble go towards providing scholarships to local students that are pursuing a degree in a healthcare-related field with the hopes of having them join our teams upon graduation and even further advancing healthcare offerings in San Juan County.

In order to give back to the students and the community, we need support from local businesses like yours. There are a couple of ways that businesses can support our efforts:

- **Cash Donation** - If you are willing and able to donate a cash amount towards our scholarship fund, we (and the students) would greatly appreciate it. We will put your logo on our website as a donor, display it at the event, announce the sponsorship throughout the event, and allow you to put promotional materials at the event
- **Prize Donation** - We give away prizes and awards at the Scholarship Scramble luncheon to encourage individuals and teams to sign up for the event. If you or your company would like to donate a prize to be given away, that helps offset the cost of the event and leaves more money for scholarships. We will advertise your logo at the event in exchange for the prize donation, announce the sponsorship throughout the event, and allow you to put promotional materials at the event
- **Hole Sponsorship** - There are a handful of holes during the event that have special challenges for our participants. These holes are available for sponsorship. The Hole Sponsor will have their logo at the hole, will have their logo on our website, announced throughout the event, and allow you to put promotional materials at the event.

Attached is a donation form. Please return to either Jimmy Johnson, jjohnson@sanjuanhealth.org, or Kent Turek, dkturek@bmh.utah.org, as soon as possible. Any questions can be directed towards them as well.

Thank you in advance for your support of this event and the future of healthcare in San Juan County. We couldn't do it without you.
